Staff-Student Committee Meeting
Minutes

General comments	Attendance in lectures has been poor.
CSC932	No comments.
CSC9V4	Not present.
CSC9T4	Not present.
CSC9Y4	New system for lectures is working well.
CSC9T6	Not present.
CSC9N6	Course is going well.
CSC9P6	No comments.
CSC9W6	Problem with tutorial sign up. Problem with timetable clashes. LTA1 not up to scratch.
CSC9Z7 (Honours Project)	No comments.
CSC9YF	Not present.

CSC9YH	Not present.
CSC9YW	No comments.
MSc Information Technology	All happy.
MSc Advanced Computing	No comments. Suggestion by Richard Hunter of creating an application for creating student timetables.
MSc Computing for Financial Markets	2B38 is too small. No reply to emails sent to economics lecturer about dissertation topics. Comment about schedule of classes: only one lecture on Monday.
PDM9L6	Time for achieving checkpoints is sufficient. Should be stated at start of semester where course content can be found. Response from Carron Shankland: this was stated at the start of term.
PDM9L7	Not present.
